AFFORDABLE
NU Salem is Oregon’s most affordable Christian university.

ACCESSIBLE
The Salem campus is convenient for commuters and working students. Two and a half million Oregonians live within 90 miles of the campus. Our non-traditional schedule makes it possible for many of our full-time students to attend classes only two days a week.

ACADEMICALLY EXCELLENT
Our dedicated faculty is committed to student success. NU Salem maintains the highest level of accreditation through the Northwest Commission on Colleges and Universities (regional).
Northwest University Salem is focused on equipping you to be an effective leader in the 21st century, whether the Lord directs you into vocational ministry or the marketplace. You will have the opportunity to interact with dedicated faculty and staff, receiving the personal attention you need to succeed.

During your educational journey you will be strengthened as you grow intellectually and spiritually. You will develop organizational and interpersonal skills as you participate in practical learning activities with faculty, staff, and peers. These skills will equip you to serve, at a high level, wherever the Lord calls you.
